

# What to Expect in 2026

- ✓ **New Tax Laws:** 2026 is expected to bring updates to deductions, credits, and income brackets.
- ✓ **Stay Informed:** While details develop, awareness helps you plan ahead.
- ✓ **Life Changes?** New job? Business growth? Family changes? Early guidance prevents surprises.

# What Are Tax Amendments?

---

- ✓ **Correct Errors:** Amendments allow you to fix filed returns for missing income or mistakes.
- ✓ **Normal Process:** It's a standard procedure to ensure accuracy.
- ✓ **Act Early:** Fixing issues sooner prevents future headaches with tax authorities.

# Year-Round Planning

---

**Don't wait until April.**

Tax planning is a year-round tool to help you:

- ✓ Manage your cash flow effectively.
- ✓ Find and maximize every deduction.
- ✓ Reduce last-minute stress.
- ✓ Save money with proactive decisions.
